WNS-6070-4009 - Hafis - Quad Dial - 21J - Movement View

Case: Gold Plated Tonneau Case measuring 34 mm across, 36 mm with the crown, 36 mm lug to lug. Back is marked Waterproof and Shock Protected, 666179, 118 A. The inside of the case is marked Bezel Gold Plated G, Stainless Steel Back and Swiss Crown at the 3 o'clock position.

Dial: A very cool 4 quadrant sectioned dial (silver shades). Signed Hafis, Jar Proof, Water Proof, 21 Jewels and Swiss Made. Applied gold Arabic hour markers (at the 12 and 6 o'clock positions), and applied gold arrow shapes at all the other hour positions. Gold hour and minute hands and a gold sweeping seconds hand.

Movement: Swiss made 21 Jewel movement marked Hafis SU 2391, Twenty-One (21) Jewels and Swiss.

Strap: Genuine Leather brown with brown stitching and a gold toned buckle.

Comments: Beautiful all around condition Hafis dress wristwatch with a super cool quad dial - (running fine.)
