WNS-6070-4083 - Clinton - 17 Jewels - All Stainless - NOS - Full Front View

Case: The case measures 33 mm across (36 mm including the crown) and 39 mm lug to lug. The screw off back case is marked Lifetime, Stainless Steel 100%, Water Proof, Shock Resistant, and Antimagnetic.

Dial: The dial is striking with a silver satin background color and silver applied cool retro style Arabic numbers at the 2, 4, 6, 8, 10 and 12 o'clock positions. There are arrow head pointers at the hour markers for the 1, 3, 5, 7, 9 and 11 o'clock positions. The dial is signed Clinton, 17 Jewels, Shock Resistant and France. The dauphine-style hour and minute hands are silver with radium filled center sections, and the sweeping seconds hand is sleek and a solid silver color. There is also a 60 minutes/seconds track bordering the edge of the dial and a dot of radium at each hour marker.

Movement: Swiss made 17 Jewel mechanical movement.

Strap: Original Stretch Scissors Type Bracelet (Silver in Color.)

Comments: Beautiful all around condition Hafis dress wristwatch with a super cool quad dial - (running fine.)
