**Case:** The solid 14K yellow gold hunter's case is ornately designed and features 3 diamonds embedded into the back case cover. Marked B & B Royal, 14K, 436527 on the dust cover.

**Dial:** The dial is white porcelain with black Roman numerals and sunken seconds dial at the 6 o'clock position.

**Movement:** A stem wind and set movement. The movement is marked Elgin Watch Company, U.S.A., Safety Pinion, 15 Jewels, and the serial number 7053979 (which dates the production of this piece to 1897.)

**Comments:** This antique piece is in super nice overall condition and sports a solid gold case.

**Item ID:** WNS-PW-6020
