WNS-6070-4072 - Elgin - Wood Dial - Day-Date - Top Case and Bracelet View

Case: All Stainless Steel Case measuring 35 mm across, 37 mm with the crown, 39 mm lug to lug. Back is marked Anti-Magnetic, Water Resistant, All Stainless Steel Case, Incabloc, Elgin and 02 2789 0007. The crown is at the 3 o'clock position.

Dial: A very nice wood grained dial that is signed Elgin, Automatic, 25 Jewels and Swiss Made. Applied square hour markers with gold colored hour, minute and sweeping seconds hands. Day and Date windows at the 3 o'clock position.

Movement: Swiss made Elgin Automatic 25 jewels.

Strap: Elgin Two-Toned Interlinked Bracelet.

Comments: Seldom seen Elgin wood grained dial with a high quality 25 jewel automatic movement.
