WNS-6070-4088 - Voumard - Crown on Rear of Case - Model 2000 - Rear Case View

Case: 32 mm across by 38 mm lug to lug - Highly polished chrome case with a Stainless Steel back - The crown is located in the rear case. The case back reads "Stainless Steel Back, Waterproof, Shockprotected, Voumard, Swiss Product".

Dial: MINT silver-pearl colored dial with black hand-painted hour markers and Arabic numbers and a date window at 3 o'clock. The hour and minute hands are silver with black centers and there is a silver colored sweep seconds hand as well. The dial reads "Voumard" below the 12, and "2000" above the 6. It also reads Swiss made at the very bottom.

Movement: 17 Jewels Swiss Made Mechanical Wind.

Strap: 17 mm Genuine Leather, Black Crocodile Pattern and a Stainless Steel Buckle.

Comments: A scarce and seldom seen rear crown Swiss wristwatch. In super nice overall condition, running fine and keeping excellent time.
