Case: The round shaped metal chrome plated case measures 34 mm across (36 mm including the crown) and 14.4 mm (lug to lug.) It is 7 mm thick. The crown is located at the 3 o'clock position. The back of the screw down case is marked Stainless Steel Back and Guarantee Swiss Made, Electronically Tested, Water Resistant, Antimagnetic, Buler (with the Buler logo) and the numbers 1192C. The bezel resembles the Rolex-style Thunderbird design.

Dial: The superb conditioned round dial has a silver starburst effect color background.

The hour makers are raised silver tone colored and rectangular shaped with arrow points at the inner parts at the 1, 2, 4, 5, 7, 8, 10 and 11 o'clock positions, and the 12 o'clock position is a 'V' type of shape. The 6 and 9 o'clock positions are arrow pointed at both ends. There are small dots at all 12 hour positions just below the raised hour markers that have a luminous coating on them.

The date feature is located at the 3 o'clock position and has red colored Arabic numerals against a white background.

The dauphine-style hour and minutes hands are silver in color with a crease in the middle. And the thin dauphine-style sweep seconds hand is silver in color as well.

The crystal has a slight curvature on the surface and angular sides and is raised 3 mm above the case at its center. It also has a "cyclops" window at the 3 o'clock position.

It is marked Buler (with the Buler logo) and Water Proof, Novato below the 12 o'clock position, and 23 Jewels (in red) with Unbreakable Mainspring above the 6 o'clock position, and Swiss Made below the 6 o'clock position.

Movement: Swiss Made 23 Jewels Mechanical Wind.

Strap: A real nice Speidel stainless steel expansion band with a black top surface with a silver edge color coordinated design. **Comments:** Beautiful all around condition Hafis dress wristwatch with a super cool quad dial - (running fine.)
